## Get More, with Microsoft Dynamics GP 2010

Today's world demands a new way to do business. Organizations continue to wrestle with complexity in a difficult business environment. They face the dual challenge of reducing operating costs while responding to greater customer needs and ultimately increasing profitability. Microsoft Dynamics® GP 2010 strengthens the ability of people and organizations to face these ongoing challenges, so that their businesses can remain competitive and grow.

This latest release of Microsoft Dynamics GP extends the reach of insight, productivity, and collaboration across the entire business, helping to ensure that people—an organization's most powerful asset—and the different ways they work continue to drive business success. New capabilities deliver faster access to personalized business intelligence, enhanced ways to streamline business processes, and new ways to build stronger business relationships.

### A limited time offer to help you get started\*

With the release of Microsoft Dynamics GP 2010, Microsoft is extending a special offer to new customers to help them drive their businesses forward in this challenging economy. For a limited time, businesses can buy three users of Microsoft Dynamics GP for \$1.

Effective Monday, March 15, 2010, and available until end of business day Friday, June 25, 2010, all new customers that meet the eligibility criteria can take advantage of this special offer.

### Offer Details

With the initial purchase of Microsoft Dynamics GP, customers will be allowed to buy up to their first three (3) users (foundation pack user and two additional users) for \$1.

- Offer applies to both the Advanced Management and Business Essentials editions
- Offer valid March 15, 2010 – June 25, 2010
- Commitment to a 3 year Business Ready Advantage Plan is also required. The first year of maintenance must be paid at time of initial license purchase with years two and three due at the annual renewal date
- Enhancement Plan fees will be calculated based on the System List Price ("SLP") of all users and components.
- Regular volume discounts will be used to calculate the cost of additional users.

- Offer only available for new customers and through participating resellers for a limited time. Other restrictions may apply. Please consult your reseller for full details.
